From the organising commiteee

Welcome to the SHARC [Shoulder Arthroscopy and Arthroplasty Convention], December 19th and 20th Bengaluru 2026.

Dear Shoulder enthusiasts
Greetings!

On behalf of the organizing committee, it is our pleasure to invite you to participate in our upcoming Shoulder Arthroscopy & Arthroplasty Conference, a premier educational event bringing together leading orthopedic surgeons, sports medicine specialists, and shoulder experts from across the region.

This conference will provide a unique platform for sharing the latest advancements, innovative techniques, and emerging technologies in shoulder surgery.

We have lined 10 live surgeries planned for the conference [8 shoulder arthroscopy and 2 shoulder replacements].
